

# Big English Plus

## Level 1

### Parent Letter

# UNIT 9

**Dear parents, guardians,**

Welcome to **Unit 9** of **Big English Plus 1**.

In this unit, 'Play Time', children will find out about playtime activities. Through the use of communication, songs and games, reading, listening and speaking activities, physical activities and creating things, your children will have the chance to learn:

#### **Vocabulary:**

Catching, dancing, hitting, kicking, riding, singing, skating, skipping, throwing; Cool!, Get enough sleep, It's so much fun, Let's...; climbing, exercise, hide and seek, hopscotch, score, skipping, tag, tired.

#### **Language:**

Asking questions using present continuous (verbs)

#### **Phonics:**

'ss', 'z', 'zz'.

#### **Content:**

To talk about different play ground games and to make suggestions about what game to play

#### **Values:**

Looking after your body

#### **Culture:**

Games around the world

#### **Project:**

To make a 'Play Time' poster.

## Life skills:

Communication, collaboration, creativity and critical thinking. 'Bigger picture' thinking.

### How can you help your child?

You can help reinforce this learning by helping your children to draw or take pictures of their favourite places to play and to talk about what activities they like doing.

You can further support and help your child by:

- Listening to the new songs and chants (including the karaoke versions) on the CD-ROM.
- Doing the activities and games with your child on the CD-ROM.
- Helping your child complete all the activities on MyEnglishLab online
- Helping your child do the activities on the Big English word app.
- Praising your child's unit project: A 'Play Time' poster.

Encourage your child to enjoy English and take time to show pride in his or her accomplishments. After all, your child is special.

Yours sincerely,
