

Big English Plus

Level 1

Parent Letter

UNIT 3

Dear parents, guardians,

Welcome to **Unit 3** of **Big English Plus 1**.

In this unit, 'My Body', children will find out about parts of the body. Through the use of communication, songs and games, reading, listening and speaking activities, physical activities and creating things, your children will have the chance to learn:

Vocabulary:

Arm, ear, eye, finger, foot/feet, hand, head, mouth, neck, nose, toe; big, long, short, small; Aha!, All day long!, Dry your hands, I don't know, It's easy, you see, Keep your hands clean, Let's see, Rinse with water, Wash with soap; cake, clean, dinosaur, dry, flower, guitar, hair, ice cream, photo, soap, star, teddy bear.

Language:

Using simple present (have got/ has got); asking questions with 'Have you/ they got', 'Has she/he got?'

Phonics:

'e', 'c', 'g' and 'm'

Content:

To learn the sensory words 'see, smell, taste, hear'.

Values:

Keeping clean.

Culture:

Flags around the world.

Project:

To make a 'My senses' poster.

Life skills:

Communication, collaboration, creativity and critical thinking. 'Bigger picture' thinking.

How can you help your child?

You can help reinforce this learning by encouraging children to cut out pictures of body parts from magazines or draw body parts on a piece of paper. Then encourage them to talk about the body parts with you.

You can further support and help your child by:

- Listening to the new songs and chants (including the karaoke versions) on the CD-ROM.
- Doing the activities and games with your child on the CD-ROM.
- Helping your child complete all the activities on MyEnglishLab online
- Helping your child do the activities on the Big English word app.
- Praising your child's unit project: A 'My Senses' poster'

Encourage your child to enjoy English and take time to show pride in his or her accomplishments. After all, your child is special.

Yours sincerely,
