UNIT 7

Dear parents, guardians,

Welcome to **Unit 7** of **Big English Plus 1**.

In this unit, 'Party Time', children will find out about animals. Through the use of communication, songs and games, reading, listening and speaking activities, physical activities and creating things, your children will have the chance to learn:

Vocabulary:

Cake, chicken, chops, fruit, ice cream, juice, milk, pasta, pizza, salad, water; Sunday, Monday, Tuesday, Wednesday, Thursday, Friday; Every day, It's time for..., Oh no!, Special Days, What a great day!, What day is it today?; biscuits, chips, chocolate, crisps, present, salt, salty, sugar, sweet.

Language:

Using present simple (have/has got)

Phonics:

'l', 'll', 'v' and 'w'

Content:

To identify and distinguish between salty and sweet foods

Values:

Eating three meals a day

Culture:

Special food around the world

Project:

To make a 'Sweet and Salty food' poster

Life skills:

Communication, collaboration, creativity and critical thinking. 'Bigger picture' thinking.

How can you help your child?

You can help reinforce this learning by encouraging children to choose photos of themselves and the family at a party and celebration and encourage them to talk about the celebration (food, drink, party items, special days).

You can further support and help your child by:

- Listening to the new songs and chants (including the karaoke versions) on the CD-ROM.
- Doing the activities and games with your child on the CD-ROM.
- Helping your child complete all the activities on MyEnglishLab online
- Helping your child do the activities on the Big English word app.
- Praising your child's unit project: A 'Sweet and salty food' poster'

Encourage your child to enjoy English and take time to show pride in his or her accomplishments. After all, your child is special.

Yours sincerely,
